

Total Annual Charge: £ 444000

The Total Annual Charge is exclusive of applicable taxes and shipping charges. For any on-site services requested by you, you are responsible for all actual and reasonable travel and living expenses incurred by XYZ's personnel.

Services will be invoiced in advance, except for travel and living expenses, which will be invoiced following the month in which they are incurred. Invoices are payable upon receipt. Late payment fees may apply. You agree to pay by electronic funds transfer or other means acceptable to XYZ to an account specified by XYZ.

Certain Service options allow you to request chargeable on demand services such as in response to an emergency declaration by you. You will be informed of any such additional charge prior to XYZ providing such on demand service and separately invoiced.

In the event of termination, other than due to XYZ breach, XYZ shall have the right to require you to promptly pay all applicable charges due XYZ for the remainder of the Contract Period.
