

Upcoming Event: Adobe Flex 2 Training
Date: April 16 – 20
Location: echo-eleven media, inc
5825 Glenridge Drive
Building 4, Suite 200
Atlanta, Georgia 30328

Instructor: Clifford Hall

Flex 2: Developing Rich Client Applications (3 days; Mon-Wed)
Data and Communications (2 days; Thu-Fri)

Instructor-led course. One computer per student. Class size is limited to 8 seats, affording students more access to the instructor. Adobe-authored courseware included.

Cliff has over 20 years of expertise in real-world development. He possesses a solid understanding of the principles behind robust and scalable enterprise software design. In addition to being a Certified Adobe Flex Instructor, he provides architecture and development assistance to some of Adobe's largest clients using Flex.

Special Offer:

While available, seats for the full course are offered at 50+% discount to ACFUG/AFFUG members – **only \$1000.00!**

For course syllabus and enrollment:
