

My dear friends and colleagues,

My son needs an urgent transplant to save his life. The details are given below. If there is any one to help my son, pls. contact me by the given number below.

Patient's name : L. Wishwa Anuruddha Sigera.

Patient's age : 30 yrs

Doctor's name : Dr. Anura Hewageegana.

(Neurologist at National institute for
nephrology dialysis & transplantation
Colombo 10.)

Need : A+ or O+ kidney for transplant

Contact details (father) : L. Newton Sigera (0714805753).

Pls. be kind enough to help and save a young life as it would also be a very meritorious deed.

Thank you,

L. N. Sigera.
