ABSTRACT

I don't want the cover page to be numbered at all, or maybe number 0. I don't want to display the cover page number.

This is the front page, I want it to be number 1. I don't want this page number to be shown.

August 23, 2012

This should be page 2. From this page onwards, I want all pages show page number in the header (default for mm).
