Conference Location

AIMSA 2000 will be held at the oldest Bulgarian Black see resort - St. Constantine. It is located in a beautiful natural park with a wonderful combination of see coast, woods and hot mineral springs. The resort is only 8 km from the town of Varna. Varna has an international and domestic airport with flights to and from Sofia (the capital city of Bulgaria). There are also direct flights connecting the major European cities with Sofia and Varna. AIMSA'2000 will take place in the International home of scientists "F. Joliot-Curie" standing in the middle of the resort.

- *Institute of Information Technologies*
- *Union of Bulgarian Mathematicians*

The Ninth International Conference on Artificial Intelligence:

Methodology, Systems, Applications
AIMSA 2000
September 20-23, 2000
Varna, Bulgaria

http://www.iinf.bas.bg/AIMSA2000

CALL FOR PAPERS

AND PARTICIPATION

Important Dates

Submission deadline: **May 12, 2000**
Notification of acceptance: **June 3, 2000**
Deadline for final papers :   **June 19, 2000**
Conference: **September 20-23, 2000**

Topics

The Ninth Edition of AIMSA is focussed on Web processing, in particular: Knowledge construction from the Web, Agents and communication languages, Web-based documents and interfaces, Distance learning and electronic commerce.

The AIMSA'2000 topics of interest also include: Knowledge Representation, Knowledge Acquisition, Knowledge Based Systems, Machine Learning, Data Mining, Natural Language Processing, Reasoning Systems, Distributed AI, Robotics, Theoretical and Philosophical Foundations, AI Applications. This is not an exhaustive list, and papers from other AI areas are also encouraged.

Programme Committee Chair

Stefano A. Cerri
Laboratoire d'Informatique, de Robotique et de Microelectronique de Montpellier (LIRMM)
161, Rue Ada; 34392 Montpellier Cedex 05, France
E-mail: cerri@lirmm.fr
Phone: +33 (0) 467 41 86 62

Submissions

Submissions should describe original research. Papers should be submitted electronically to aimsa2000@lml.bas.bg as an attached PDF or compressed postscript file. Papers should be written *in English* and should be no more than 10 pages in LNCS/LNAI format (which is the format required for the final camera ready copy).

The body of message must include: name(s) of the author(s), title of the paper, a set of keywords, name, address, fax number and e-mail address of the contact person. The Proceedings of AIMSA 2000 will be published by Springer in the Lecture Notes in Artificial Intelligence series and will be available at the conference.

Author Registration Policy

In order for an accepted paper to appear in the proceedings, at least one of the authors must register for the conference by the deadline for the camera-ready copy (19th June, 2000).

Selection of Papers

Each paper will be reviewed by at least two members of the program committee. Selection criteria include accuracy and originality of ideas, clarity and significance of results, quality of presentation.

The program committee will select one paper of high quality among the accepted papers. The author(s) will receive the best paper award during the conference.

Registration

Please fill in and return this form by e-mail or surface mail to:
