adding margin table：

1．add margin note from the menu．

2．in margin note, add table．

3．table shading．

4．select margintable from layout dropdown

⁂ i putted the local layouts of "margin image" and "margin table" in (menu > document > setting > local layout)．

the problem ：

the captions in the top (captionover) not in the bottom (captionLow) of the table．

Table 0.1:

1	4
2	5
3	6
