

What is your favorite color? (There is too much space after these choices.)

- (A)  (B)  (C)  (D) 

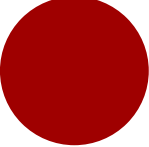

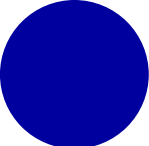

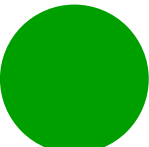

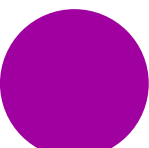

A ruledhbox shows the extra space is in the itemize, but not in the item contents.

- (A)  (B)  (C)  (D) 

Putting a ruledhbox around the first item shows that each item has extra space that is not part of the item contents. (The ruledhbox also messes with the horizontal alignment, but I don't care about that.)

- (A)  (C)   
(B)  (D) 

The extra space is not present without columns.
