## ISDA'2007 Call for Tutorials

On behalf of the ISDA'2007 Committee we would like to call for tutorial proposals for the Seventh International Conference on Intelligent Systems Design and Applications.

Following the big success of ISDA'2006, ISDA'2007, which is the seventh edition of ISDA, serves as a forum for the dissemination of state-of-the-art research, development, and implementations of intelligent systems, intelligent technologies and useful applications in these two fields.

We invite proposals for tutorials surveying mature work in the intelligent system design and applications, presenting emerging approaches or challenging applications, and introducing potential users to these themes.

## Submission Requirements

The proposal should provide the following information:

- Name, institutional affiliation, mailing address, phone, fax, e-mail, WWW address of the prospective presenter(s).
- Title for the tutorial.
- A 200-300 word description of the tutorial (for tutorial booklets and web pages).
- Short Biography of 100-200 words (for tutorial booklets and web pages).
- Detailed outline or prose description of the tutorial contents (for evaluation).
- A description of the target audience, including prerequisites.

## Timetable

Deadline for proposals:	March 05, 2007
Notification of acceptance:	March 26, 2007
Tutorial summary:	June 15, 2007
Tutorial notes (camera and Web-ready):	September 17, 2007

Please send (electronically) your proposal directly to the tutorial chairs with a copy to [isda07@eng.uerj.br](mailto:isda07@eng.uerj.br):
