Terms and Conditions

Lead Time: After receipt of order and e-drawing approval.

Setup Fee: This is only charged on new parts or when modifications are made to existing parts.

Silkscreen Setup Fee: Initial setup fees are charged on new parts or when modifications are made to to existing parts.

Screen Production Fee: Charged on each order.

Design Changes: Modifications, alterations, or design changes can result in a pricing change.

Shipping: shipping charges are extra. Your order will be shipped via overnight service unless you notify Protocase otherwise. Other shipping service levels are available upon request. Protocase, Inc. cannot be held responsible for courier delays related to weather or any other uncontrollable factors, once the package has left our facility.

Payment Terms: We accept Visa, MasterCard, & AMEX. Terms may be available upon request.

Cancellation policy: Once your order is received, if, for any reason, you must cancel your order prior to it entering production, you will be charged either 20% of your order, or \$75.00, whichever is greater.

Reasons to buy a Protocase Custom Enclosure:
1) Significantly short lead time; we ship in days.
2) Full customization at near off-the-shelf prices.
3) No machining or finishing required; your enclosure arrives ready to go.
4) No minimum buys – we welcome orders as low as 'quantity one'.
